

Provide Emergency Meals - Hope House Mission

Hope House Mission provides meals every day to the residents in our men's shelter as well as our women and children's shelter. We depend on the help of regularly scheduled volunteer groups who partner with us to provide and serve these meals. We already are experiencing groups having to cancel because of the threat of COVID-19.

To ensure that the men and women we serve will continue to receive their meals, we are asking interested groups, individuals, families, and business to consider signing up to provide a meal for our men's shelter and/or our women's shelter.

The meal can be prepared in our kitchen or brought in ready to serve.

The meal can also be dropped off in advance: earlier in the day, just prior to dinner or even the day before.

Responsibilities/Guidelines:

Provide dinner for **40 women** at the women and children's shelter OR for **50 men** at our men's shelter.

We provide plates, napkins, cups, silverware, pitchers for ice water and any cooking utensils you might need. All your group is responsible for is the meal.

We recommend a hardy meal with a protein, a vegetable and one or two starch options. Our volunteer coordinator would be happy to give you ideas.

Another option would be to have dinner brought in or catered from one of our local restaurants.

If you are interested in helping out, or have more questions, please email Hannah Hamlin our Volunteer Coordinator at: hhamlin@hhmission.org.

PLEASE ABIDE BY THE CORONA VIRUS RESTRICTIONS AND GUIDELINES. NO ONE OVER THE AGE OF 60 SHOULD COME TO THE SHELTER, AND PLEASE STAY HOME IF YOU ARE NOT FEELING WELL OR THINK YOU MAY HAVE POSSIBLY BEEN EXPOSED.
